Styling Clinic

Salon Gloss will soon be coordinating a styling clinic where existing and new

clients can come in and have a one on one lesson on how to style their hair! There is one condition you must be willing to get rid of at least one of your home hair care products weather it be drug store products or an old Styling brush, but you will leave with a brand new brush that is best suited for your hair, and if you purchase 3 or more products you will receive 10 percent off your selection.

We will Keep you posted on our upcoming clinics!
